#### **Old Business**

Curbs were cleaned in July of 2002 throughout the whole neighborhood at cost to the HOA.

#### **Ongoing business**

1. Examine areas of the curbs throughout the neighborhood that were reported as crumbling and in deteriorating shape.
  - No update on exact locations have been given
  - HOA President Johnson to follow-up with city on whether city or HOA is responsible for upkeep of curbs.
    - City said it would add it to their list if presented with locations of the problematic spots.
    -
2. Consider replacement of bricks with white marks or possibly having the entrances painted over all bricks or have the bricks cleaned.
  - Will continue discussion by HOA board on what, if any, action to take.
3. Light poles could be painted to match recently redone street signs.
  - Light poles are taken care of on a time schedule and if updated cost may be on HOA like that of street signs but must be coordinated with the city and/or BrightRidge.
4. Several street lights are out around the neighborhood.
  - Just call BrightRidge; they are the ones to service the lights.
